RICHARD MILLWOOD

Richard has lived in Essex for the last thirty years, raising a family of three boys and working in higher education.

Working part time now, he uses his spare time to volunteer for people in need, collecting food from supermarkets all over Essex for the Daily Bread food bank in Hutton.

As an educator, he is dedicated to supporting the campaigns to save our libraries and to improve youth services.

He will campaign for more social and carbon-neutral housing to allow our sons and daughters to establish their own home.

As a keen cyclist and walker he will fight for better facilities for all of us to responsibly enjoy Essex's countryside.

YOUR LABOUR CANDIDATE FOR

ONGAR AND RURAL

Thursday 06 May

Let's rebuild Ongar and re-ignite the community!

There is a real opportunity for Ongar as we come out of the pandemic. We stood together and responded to Covid-19 with neighbours looking out for each other, new friendships formed and more recognition for the life challenges many faced. Ongar showed itself at its best. If we build on that (literally) we can really improve our community. Where developments are proposed, I will make sure to press for affordable and green housing and new rail links so that families and neighbours can continue to live nearby to each other.

The rise of the foodbank

In the sixth richest economy in the world, we should never accept high child poverty - as we see in many of the rural areas that surround Ongar. We should offer a living wage and appropriate welfare for all. Meanwhile, in the face of savage austerity from the government, we cannot wait for change, so I will continue to put my spare time to work for the foodbank.

Richard is ready to work now to make a difference in Ongar.

RICHARD'S PLEDGES

A COMMUNITY FOCUS

The pandemic has shown how we are better together. I will act to invest and maintain community infrastructure.

INVEST IN ONGAR & ITS SURROUNDINGS

As we come out of lockdown, I will push for investment in so that businesses can come back stronger in 2021.

NEW AFFORDABLE HOMES

New affordable homes for our young and families will be my priority in any proposed Council development.

THE CLIMATE EMERGENCY

I will tackle the climate emergency through tree planting, electric charging points and improved recycling.

POTHOLES

I will argue for longer term investment and rapid response to potholes to reduce the costs caused by damage to vehicles.

We're supporting Labour

"Richard is an exceptional analyst and organiser and will bring a much needed questioning challenge to the Conservative-run Essex Council with his valuable combination of insight, integrity and human values."
Ann Huish
Ongar

"I have seen the work Richard puts in to improve our area, to support those that live here and to create employment with good transport links and affordable housing. He will be an excellent Councillor."
Rhys Martin
Ongar

I am delighted and honoured to have been selected as Labour's candidate for Ongar and Rural in the Essex County Council election.

If elected I will work hard for all residents, however you voted and wherever you live: from Abridge in the south west to Nether Street in the north east, from Nine Ashes in the south east to Threshers Bush in the north west and everywhere, particularly Ongar, in between.

I work part time (online, like many others) for Trinity College Dublin after a career of designing new forms of education here in Essex, for which I have a passion.

In my spare time I am busy volunteering for the local food bank, but look forward to putting my efforts into improving the vision and service of our County Council through competent and collaborative opposition, bringing oversight and analysis to the administration's work. Please get in touch if you have any questions or issues you would like to raise.
